Sir,

With reference to G.O.No.1318-68/C.B.84-26-3 dated 11th October 1926 assigning to the Registrar of Co-operative Societies the duties dealing with problems connected with the amelioration of the Depressed Classes, I have the honor to state that the subject was discussed at the meeting of the Development Board held on 3rd December 1926 and it was unanimously resolved that the following facilities should be given to the Registrar of Co-operative Societies for work in this connection.

(1) That a sum of Rs. 20,000 (as a cash-credit) be placed at the disposal of the Registrar of Co-operative Societies for granting loans to Depressed Classes societies at 5 per cent interest, the loan being free of interest for the first two years and to be repaid thereafter in three equal annual instalments, in the same manner as loans to co-operative societies from State Funds under Rule No.28 of the Co-operative Rules.

(2) That for each group of eight societies, one Assistant Inspector of Co-operative Societies on a pay of Rs. 40/- per month be appointed for supervising, efficiently controlling and doing all the work of a paid Secretary for those societies.

(3) That the services of a Magic-lantern Operator on a pay of Rs. 40/- per month be given to the Registrar for giving magic-lantern exhibitions on subjects connected with co-operation, sanitation, evils of drink and other social and moral subjects.

(4) That a clerk and typist on Rs. 40/- per mensem be given to the Registrar for dealing with the correspondence work relating to the Amelioration of Depressed Classes Movement.

2. With regard to the formation of depressed class colonies and housing, it was resolved at the meeting that the Registrar should prepare suitable schemes in consultation with the Revenue Commissioner and place them before the Development Board at their next meeting.

3. Without the necessary funds and staff, it is not possible for me to show any substantial progress in the somewhat uphill work that has now been entrusted to me. These recommendations are in accordance with the recommendations of the Mysore Co-operative Committee which after deliberate consideration have submitted their views on the subject. I, therefore, request that you will move the Government to sanction at a very early date the necessary staff and funds as decided at the meeting of the Development Board so that some tangible work may be done during the current official year.

C.S. 81-26-3

Sir,

With reference to your letter No.D.5148/C.S.81-26-2 dated 5th January 1927 re: the approximate annual cost of the establishmen in connection with the amelioration of the Depressed Classes, I have the honor to state that there are at present 80 depressed class societies and the number is likely to increase in the near future. As suggested in para (2) of my letter No.2548/C.S. dated 17th December 1926, one Assistant Inspector of Co-operative Societies on Rs 40/- per month for every group of eight societies is required. Taking this as the basis for calculation, I want to begin with at ~~last~~ least six Assistant Inspectors of Co-operative Societies and the cost would be as follows:-

(a) for six Assistant Inspectors at Rs 40 per month. for five months from February to June 1927.	Rs 1,200- 0- 0
(b) pay of a Magic-lantern operator at Rs 40 per month for five months.	Rs 200- 0- 0
(c) Pay of a clerk at Rs 40 per month for five months.	Rs 200- 0- 0
	Rs 1,600- 0- 0

In addition to this, if the existing number of depressed class societies increase, I may have to appoint additional Assistant Inspectors on the same pay. Provision may be made for this by providing the cost for two more Inspectors during the current year for three months who will of course be appointed if necessary. The total cost will thus be Rs 1,600 plus Rs 240 or a total of Rs 1,840. This can be met out of the grant made in the current year's

year's budget viz., Rs. 2,000/- for the development of depressed class societies.

2. I request you to be so good as to move the Government to sanction the necessary staff as also the cash-credit of Rs. 20,000/- under the terms specified in my original letter.

3. Proposals re: the continuance of the staff during 1927-28 will be submitted in June 1927 after watching the progress made in this direction.
